3rd Annual

Wisconsin Rural Health Summit

**Tuesday
May 24, 2011**

**Chula Vista Resort
Wisconsin Dells**

A new Governor, Republican legislative sweep and budget uncertainty...how do changes on the State and Federal level affect rural health care? The Office of Rural Health's annual Summit brings together experts to answer these questions and offers you the latest developments in state and federal policies which can have a direct impact on rural health care.

Join us for:

- Presentations by national and local rural health experts
- State and Federal legislative updates
- Opportunities to strengthen relationships between rural hospitals and EMS
- Networking with other rural health care leaders and representatives
